

Instructions for raising queries about NEST 2022 answer keys and answer scripts

1. All candidates who have appeared for NEST-2022 have received links to their corrected answer scripts. The correct answers to the questions are clearly marked there with a green tick. In a box on the right, you will find a “Question ID” for each question.
2. Each candidate has a “Participant ID” which you will find at the top of the answer script. Please keep a note of that. You will require it to raise queries.
3. There are four email ids for addressing candidate queries:

nest22.biology@niser.ac.in
nest22.chemistry@niser.ac.in
nest22.mathematics@niser.ac.in
nest22.physics@niser.ac.in

Queries regarding the Biology section must be addressed to nest22.biology@niser.ac.in ONLY. Likewise, the queries regarding Chemistry, Mathematics and Physics should be sent, respectively to nest22.chemistry@niser.ac.in, nest22.mathematics@niser.ac.in and nest22.physics@niser.ac.in ONLY. Queries about a given subject sent to email ID corresponding to another subject WILL NOT BE ENTERTAINED.

Please also mark a copy of your queries to: nest@cbs.ac.in

5. To raise a query about a particular question please keep with you the following: the subject section, the “Question ID” of the question you want to ask about and your “Participant ID”.

The subject line of your email must be:

Subject section, Question ID: _____, Participant ID: _____

For example, if you have a query about a question in the Chemistry section with Question ID 111111111 and your Participant ID is 22222222222, the subject line of your email should be Chemistry:111111111, 22222222222

6. Write your query in the body of the email with proper justifications. Please be brief and to the point. As far as possible please do not send any attachments.
7. All candidate queries will be considered by the question paper committee and if there is a change in the answer key it will be announced to all candidates.
8. The candidates who raise queries will not receive individual responses, but all legitimate queries will be considered and discussed fully by the committee.
9. Queries not submitted according to these instructions will not be entertained. Please check your subject line carefully before sending the email.
10. The window for raising queries will remain open till **11:45 pm, June 25, 2022**. The results of NEST-2022 will be declared based on the final answer key released after this date.
